Dear Parents

YEAR 9 CONSULTATION EVENING: THURSDAY 2ND FEBRUARY 2012

You are invited to the Year 9 Consultation Evening which is being held in the college's main hall on Thursday 2nd February 2012 between 4.00 and 7.00pm.

The purpose of this evening is to give you the opportunity to come into school to meet your child's teachers and discuss progress and development. It also allows the opportunity for concerns to be voiced. Attendance is particularly vital because a few weeks later, your child will be choosing their options and these choices will be informed by their potential in each subject.

The evening operates on a system of 5 minute appointments which will be arranged by your child on your behalf. It is advisable to allow at least an hour and a half so that you are able to speak to as many teachers as possible. Please ensure that your child is aware of the times when you would like the appointments to be made.

I know that you will want to come to this very important evening in order to discuss your child's progress. I would be grateful if you could complete the slip below and return it, via the form tutor even if you will not be attending.

Thank you for your support and assistance, as always it is appreciated.

Yours sincerely

R Hawkes
Head of Year 9 & Assistant Headteacher
